Professional Summary

Motivated Triple Degree Engineer with hands-on experience in VLSI design, AI/ML model development, and Data Science pipeline engineering. Skilled in building hardware-software integrated solutions from concept to real deployment. Passionate about systems thinking and technology innovation.

Education

B.E. Electrical Engineering (VLSI Design)

J.N.N. Institute of Engineering — GPA: 8.11

2024–2028

Credit Linked Course in AI ML

Indian Institute of Technology Guwahati — GPA: 8.13/10

2025–2026

B.Sc Data Science

Indian Institute of Technology Madras — CG-PA: 5.97

Profile LInk

2025–Present

Skills

Technical Skills

- HTML, CSS, JavaScript, PHP
- Python, c/c++
- Arduino
- Git & GitHub
- AIML

Soft Skills

- Clear Communication
- Team Collaboration
- Problem Solving
- Time Management
- Adaptability

Experience

Web Developer

Jan 2025 – Present

Dark Dragon Caelestics (DDC)

- Designed and developed responsive, user-centric web applications to support fitness training and performance tracking platforms.
- Built dynamic front-end interfaces using modern web technologies, improving user engagement and accessibility across devices.
- Collaborated with designers and domain experts to translate business requirements into scalable and maintainable web solutions.
